2018 - 2022

Pune, India

ABOUT ME

Proficient full-stack developer with a focus on crafting modern web applications using the MERN Stack(MongoDB, ExpressJS, ReactJS, andNodeJS). My expertise spans both front-end and back end development, where I excel in coding and deploying scalable applications. Committed to staying current with the latest technologies and industry best practices, my dedication is centered on delivering work of the highest quality.
